3.4 Let's Read! (4:40)

Key Points about the Video

- Dad reminds his son to follow along with his finger as he reads.
- Dad models fluent reading (reading words correctly, at a conversational pace, and with expression) when it is his turn to read.
- Dad explains difficult words (**pursue**) and asks questions during and after reading to make sure that his son understood what he read.

Take the Family Activity home, have fun reading, and tell your child how proud you are that he or she is practicing reading!
