

Syllable Sort

Cut out the numbers (1, 2, 3) and place them far apart from each other on a table or floor. Ask your child to:

1. Gather several small objects from the house (see ideas below).
2. Say the name of the object (**apple**).
3. Say and count each syllable in the name of the object (**app-le**, two syllables).
4. Sort the object below its proper number of syllables.

Examples of household items to use:

One syllable words: fork, soap, shoe, book.

Two syllable words: cookie, pretzel, pencil, paper.

Three syllable words: cereal, spaghetti, banana, telephone, spatula.
