

3.5 Memory Using High-Frequency Words

Key Points About the Video 

<https://youtu.be/3W0bBRRdp04> (5:24)

- Mom explains the game first and encourages her son to read each word as he turns over the card.
- Mom uses high-frequency words in sentences to help build vocabulary.
- Mom explains the meanings of **two** and **to** and **where** and **wear**.
- Mom asks her son to read the words even when it is her turn.
- Mom uses the memory cards as flashcards to give her son more practice.

Take the Family Resource home and have fun with high-frequency words!
