Calendar for School Year

We have divided the school year into three sessions (Fall, Winter, and Spring). Each session contains 10 to 13 meetings between tutors and students. Tutoring sessions do not meet during school holidays or during snow days. It works best if a tutor is available all (or most) days of a session (For example, a tutor travels to a warmer climate during the winter months, but is available in the Fall and/or Spring sessions).

A Typical Day at On Track Reader
